

A famous quote : “The meaning of life is to find your gift & the purpose of life is to give it to others”

Yes; it is like new SUN-RISE among NCPMANIAC family; 13th October - 2018 was marked as “Historical Event” day when NCPMANIAC finds gift i.e. talents from NCPIAN & family memebers and distributed from “Rotary Sadan”.....

A joyful evening has been gifted from NCPIANs through NCPMANIAC; every bits & counts have been over flown by smiles-excitement, glory. Even after threats of natural calamity; show was on and performers have joined from corners of cities, countries.

This is the first musical event initiated by NCPMANIAC, that has been taken place out of the college premises and we are thankful to electrician to directors, arrangers to audience for tireless effort to make it possible. We also missed few seniors like Sidhuda, Biswajitda

Proud moments really come in place when a proud father or proud mother of NCPMANIAC family is witnessing the “Talent” of his/her son/daughter at the platform which basically gives him/her professional life as well personal to some extend.

October -2018 was celebration month for Bengal as we all come in home due to “Durga Puja” and we from NCPMANIAC also celebrated the same through our programme held on “Maha-Chaturthi”. A perfect blend of musical celebration of the biggest event of the year.

Few memories of event which crafted joyful environment and embossed significant print on heart.....

This newsletter not only describes joyful moments, we have not forgotten our promise on technical write up on Air compressor, we have printed the valuable experience of our NCPIAN, so you will be enriched with knowledge.
